

Christianity: Capitalism or Socialism

A Christian Perspective on Faith, Experience and Expression

Christian Tradition

Christianity is an honourable religion because of its leading altruism welfare for any human and its esteeming attitude of one another where esteem is better synonymous with respect because of its speaking with and doing good for people, conversation, inclusion and encouragement. The West is significantly losing its good of the land, archaic and such gentleman and gentlewoman Christian tradition because its ever-regressing supposed freedom of improper education and casual impropriety Culture is Semitic and secular in attitude, language use and negativity. The West is a more than half Christian faith majority. Western culture is steeped in Semitic and secular Attitude. Western society, thought, communication and behaviour, reflects literalism and immaturity more than the spirit of its virtue and ideals of its history and tradition.

Reductionism

The Holy Bible does not contradict itself. Christianity is perceived as weak, contradictory or hypercritical because materialism and reductionism used and corrupted original meaning of the very Spiritual light and humble love of God contained in the New Testament of Jesus Christ. The English language is so reduced to Bastard Title business because the rise of the Italian Renaissance which led to the establishment of the great Protestant English Reformation pinnacle regressed to immature mind-metaphysics and scientific reductionism relinquishing tradition.

Regression

The Critical Apparatus of the current language vernacular and uses has been transferred and applied through an immature looking glass of Courtly Love secrecy renouncing the mature audience its Courtesy tradition. Reconciliation of any Culture is often rejected because of urban or subculture attitudes of language ownership associations presenting unforgivable mentalities of power trips and guilt trips suffering unethical and inhumane perceptions of bad intentions and threatening behaviour. The world is overtly Antagonist. The West identifies as a more than half Christian faith majority, but interpretation and application is steeped in Semitic culture and overrun by mainstream secular Attitudes to death. Strengthened within might is not outwardly strong downputting.

Communism and Socialism

Jesus was very kind to the people to whom he showed great Courtesy, compassion and cultural sensitivity, teaching them, healing them and including them. Jesus was also kind to his disciples and Jewish leaders but as time went on he confronted his own disciples and Jewish leaders. Jesus Christ was a bit Communist. Jesus, Yeshua, from Joshua, give me the mountains unto transfiguration, lived on a commune, including the people, teaching them and healing them and sharing food and communion. Personal, Catholic, worldwide universal belief does not negate faith. Jesus Christ was a bit Socialist. Jesus, Yeshua, from Joshua, give me the mountains unto transfiguration, was very sociable, sent his followers out in all modesty and got most angry about the multicultural money trading stock exchange at the temple over the deceptive reofferings.

Capitalism

Western Justice can result in reofferings up of mere money payments furthering only lawyer referrals wherefrom the Culture of government census more than half Christian faith majority of reform is to reoffer up the Justice of God already provided in Christ. Hebrews 11:26 and 6:6. Capitalists are aliens to and in their own land. They build bigger cages and longer chains. The Western world has the best psychology and neuroscience theory, but it will always remain mere theoretic grappling because general education, Culture and statistics is just so, so bad. Maslow's hierarchy of needs identifies exactly what humans need and yet statistically and drastically how far humans have regressed. With five being correctness in antiquity, the basic needs of clothing, shelter, food, relationships and intimacy are still not met for most humans. There needs to be a clear distinction between money and choices as the Holy Bible etymology of words riches and wealth and mammon and money is caught up in misinterpretation and literalism long buried from grounded warrior mentality laced with sense of extortion and exploitation. There needs to be a clear distinction between money and choices as the Holy Bible etymology of words riches and wealth and mammon and money is caught up in misinterpretation and literalism long buried in a grounded warrior mentality laced with sense of extortion and exploitation.
