

Politics, Statistics, Simplistics

Jews, Christians and Muslims Acknowledge Monotheism from Abrahamic lineage/faith however Jewish and Christian views usually provide Acknowledgement of Muslim self faith identity but Islamic views usually does not provide Acknowledgement of Jewish or Christian self faith identity. Jews, 0.5% of England's population, promote feminism and wine and Muslims, 5% of England's population, promote male leadership and smoking which is traditionally not addictive and without tar so be mature virtuous women and give men a drink and amp up mild shag least toxic smoke. Turkey Promotes University Education. Iran Promotes Proper English. Women are Educated and Work. France is 10% Muslim. England is 5% Muslim. Australia is 2.5% Muslim. Arabic and Hebrew are Semitic Languages but England Promotes Semitic Solidarity more than it Supports Christians. Australia has 5,000-10,000 Uyghurs while England's population is 5% Muslim and France's population is 10% Muslim. Australia is the only Country to list a vague large range Category of Uyghur Identity. Words native and endemic and pandemic and hysteric are distinctively different. North Korea has probably had enough of the Korean Peninsular Christian literalism and fanaticism. North Korea is a beautiful and orderly, pristine and stringent Country. Westerners will probably blame their Government for being Communist in a Global Pandemic, making an liability. California is America's most Acrostic Antagonist Assimilation Association Atheistic Attitude Barbarism Bastard Title Cloutie Crocodile Tear Crisis Culture Democratic Hub Historically Humanist Laissez-faire Lax Legal Logistical System of entire Psychological Universal Western Zoo! Donald Trump probably won the election by votes but logistics from east to west is more complex by state legislation to rig a unilateral codification of tech to have him on tack to be on track for a better educated, also wealthy yet labor socialist Joe Biden to enter world stage. Donald Trump got American Congress up to 50% Governmental Women Employment, so now American Congress is LL in Latin, 50-50, 50% Male Employment and 50% Women Employment, but how many more Royal Commissions will it take the Royal Family and Kensington Royal to Review their System? Donald Trump got American Congress up to 50% Governmental Women Employment so now American Congress is L L in Latin, 50-50, 50% Male Employment and 50% Women Employment, but how many more Royal Commissions will it take the Royal Family and Kensington Royal to Review their System? Donald Trump got American Congress up to 50% Governmental Women Employment so now American Congress is L-L in Latin, 50-50, 50% Male Employment and 50% Women Employment, but how many more Royal Commissions will it take the Royal Family and Kensington Royal to Review their System? Donald Trump got American Congress up to 50% Governmental Employment of Women but with Scott Morrison's Australia so Insular as a Sister Country to America and then Jacinda Ardern's New Zealand more Insular as a Sister Country to Australia is fair Employment of Men even possible? Scott Morrison was Treasurer and is now Prime Minister yet as Prime Minister Scott Morrison failed Logistically but benefited Financially; with future World Technology and Government Labor might not need be the interjectory mocking Shadow in Kangaroo Court to be a Prime Minister.
