

Inducement and Incitement

Western Culture and Institution of Education bases acquisition of learner knowledge on the identity of the teacher which causes acumen to be understood, computed and processed on a Guilty by Association basis unless people relinquish control of ownership of reputation and status. To say nothing can result in death. To not act can result in death. To say something can result in Crocodile Tears. To act can result in trauma. The lure of Crocodile Tears is why the West has make-believe made-out-to-be PR Mania Mental Illness. All civilized humane lives matter. To say nothing can result in death. NSW Justice Victims Services are chartered to meet four needs of Victims, psychological needs, emotional needs, financial needs and relocation needs, but they do not sufficiently meet all needs of their clients, perhaps because the system is biased and politics is not bipartisan. Western Culture of Tall Poppy Syndrome downpresses people which causes the depression and anxiety which NSW Justice Victims Services pay off as reoccurring cycles of systemic Psychological Trauma Injury Payment from which Service fob off the very enabling and healing of Victims! NSW Justice created a Cast Off process of elimination and annihilation by placing and punishing both Victims and Criminals under impartial judgement of Culture vulturing and Worship based on Legal precedents and loopholes like snakes and ladders causing Trauma and allowing Crime. NSW Justice's System and State Culture of Cryptology and Barbarism Established Cast Off Catch Accent of Antagonist Communities' Justice Precinct from Evasive Existentialism but should Erect and Exert less Legal Precedentary Loopholes of Law by Accentuation and Accident Attitude. Psychology Terms are now based on Computing Jargon. Evasive Existentialism is Mad! It puts the onus back on the individual without assuming responsibility of Education because the framework Culture of the Institution of Education is in a Crisis when it should be using Pseudonyms.
