

## Configurational and Conventional

Not everything is Copyrightable: Initially the System of Copyright Office Registration Service was for Text; Sound Recordings and Photographs have since been included as too Computer Code and Architectural Designs, however, Photographs and Art is more unique than Text: Try Music! 1 Tweet is not Copyrightable: A 100 Word Poetry Competition lacks Structure of better Poetry being lesser words: Is the World going for a Solomon 500 or will the people of Science and Music counteract perception by Significant Part of wholistic Historic and Cultural Significance? American President Donald Trump Consolidated the American Government Library of Congress System to better Service the People by no longer Storing Twitter Data and yet of the Consolidation Congress said was System Change to Order of Name Submitted from First Name to Surname first. Congress Library Copyright Office Registered my Iron Cross Photograph and Juror Articles 1-10 Literary Works and Assigned me Public Record Numbers of suffixes 500 (Jewish) and 10305 conventional of their Solomon Order and numbers of 135 Congress Members or Street Address numbers. October 22, 2020 was 2 Year Anniversary of Australian Prime Minister Scott Morrison's Apology to Child Abuse Victims, but Forgotten Australians Identity Category Exists/Persists because People Celebrate Falsehood PR Mania Crime. Copyright Office Registration Number: Txu002210305! I as Former System Administrator of Finance and Fast Moving Consumer Goods (FMCG) and now NSW Justice Juror found Australian Government Redress System Forced Corruption of which a Group of Works and even subsequent One Work Articles American Government does not Register in Order. Government controlled and corrupted the language of the Holy Bible which etymology and meaning of lingo in denial of faith was used and abused exponentially from the Enlightenment of reductionism ontology and mere computing out of jealousy and rivalry for hate which caused death. Government controlled and corrupted the language of the Holy Bible which etymology and meaning of lingo in denial of faith was used and abused exponentially from the Enlightenment of reductionism ontology and mere computing out of jealousy and rivalry for hate which causes death. Holy Bible translations of the King James Version (KJV) from the Enlightenment replaced the word lamb Symbolism for Jesus' State Propriety with ram which Cabalistic Abracadabra Government used and still uses lamb with Rams to Force The Sentencing of the Death of †! Else † and ✘. STOP YOUR STUPID SILLY RAMS! You/IT is/are Psychologically Killing People! When will Adults be Adult? Too many Women Adults want to be Worshipped and demand Respect because they are not Professional and so Victimise Victims who their Lingo Pusillanimous Government makes Disabled!
